St. Thomas Aquinas Early Childhood Center is, foremost, a Catholic school where two-, three- and four-year old’s are given the opportunity to develop spiritually, socially, physically and intellectually. To ensure that our goals and objectives are met, the administration of St. Thomas Aquinas ECC feels that it is important to maintain a child/staff ratio of no more than ten to one (ratio varies with age group). We seek to provide faith-filled, qualified teachers to work with our children. At St. Thomas Aquinas ECC we continually strive to offer you the best possible program at an affordable rate.

St. Thomas Aquinas Early Childhood Center is self-supporting. Tuition, registration fees and fundraising events comprise our total income and families are requested to support all fundraising events during the year. We are a non-profit organization. All income returns directly to the center in the form of staff

compensation, low teacher-student ratios, building maintenance, equipment and supplies, and staff professional development. Your children are enrolled in a quality program due to your financial commitment and personal involvement. We participate in numerous programs that provide our center with many items for which we would otherwise need additional funds. Programs include General Mills Box Tops for Education, Scholastic Book Clubs, fundraising events, and grant pursuits.

In providing a quality, affordable program, it is necessary for St. Thomas Aquinas Early Childhood Center to utilize its teachers and classrooms to full capacity as often as possible. Our two year old and three year old programs offer several options. These children, who are experiencing school for the first time, are able to ease gradually into the school environment. Our four year old VPK program is offered five mornings per week (mandatory).

If you know a family looking for a program “Where Faith, Fun and Learning Begin”, please invite them to visit St. Thomas Aquinas Early Childhood Center. We’d love to have them join our STA ECC family! If they register their child and begin school in the fall, you will receive a \$25 credit towards tuition or Lunch Bunch.

I trust that every parent will make the decision that is best for their child. Registered families will receive a welcome letter and school calendar in a mailing in June. This letter will outline the Parent Orientation meeting that all families are required to attend prior to school beginning in August. **Parents are reminded that our policy does not allow teacher requests or requests to place certain children together.**

If you have any questions regarding the upcoming year, please call the school office at 727-376-2330 or e-mail staecc@aol.com. We look forward to having you and your child as a part of our St. Thomas Aquinas family for the upcoming year.
